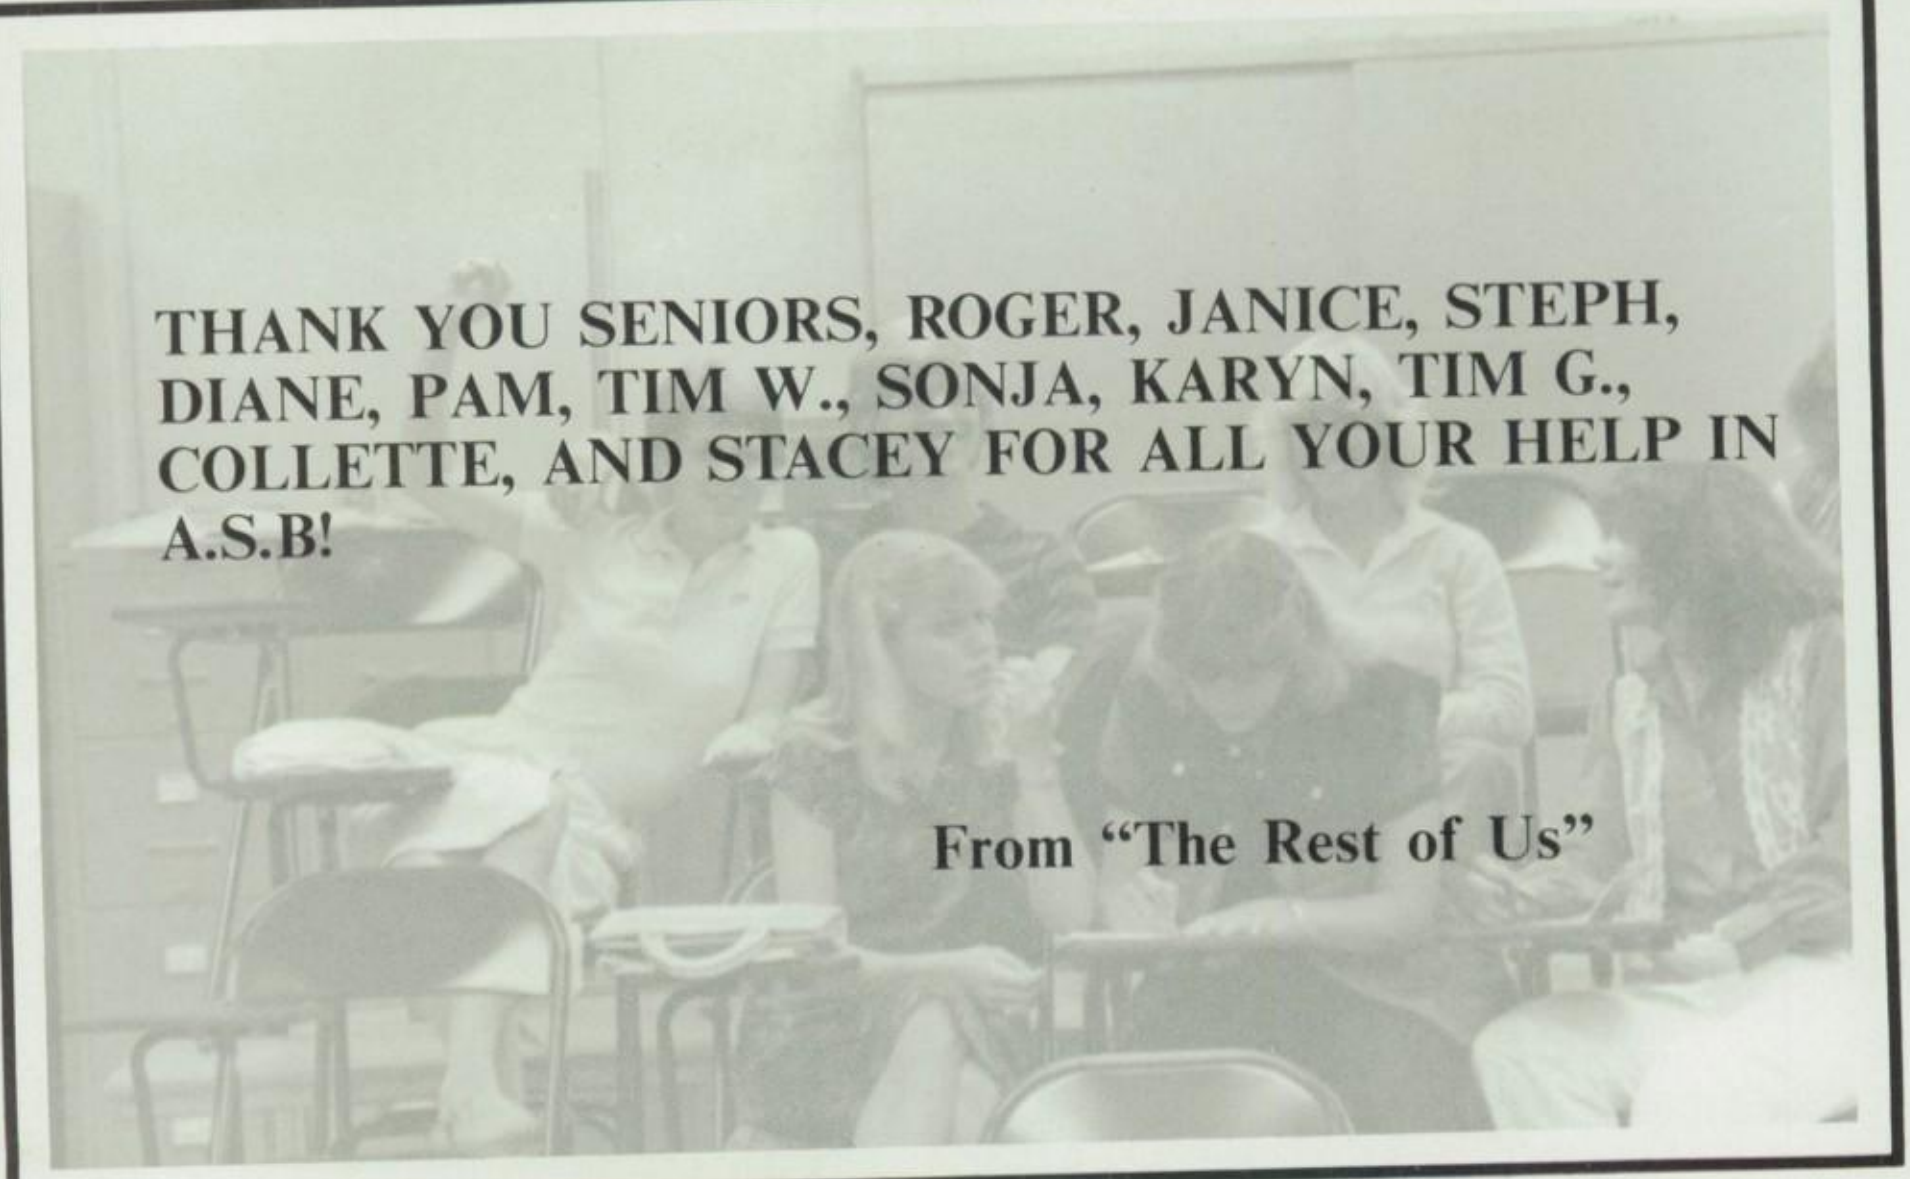
SPECIAL THANKS TO THE ABOVE PEOPLE FOR THEIR CONTRIBUTIONS TO THE BOOSTER CLUB 80- 81



THANK YOU SENIORS, ROGER, JANICE, STEPH, DIANE, PAM, TIM W., SONJA, KARYN, TIM G., COLLETTE, AND STACEY FOR ALL YOUR HELP IN A.S.B!
From "The Rest of Us"

CONGRATULATIONS TO

THE 1981 SENIORS!!

From the

L.H.S. BOOSTER CLUB

Dedicated to our daughter, Cindy McNabb, who tirelessly burned the midnight oil to meet the yearbook deadlines, and gave up so much of her extra time to photograph the many school activities.

Love Mom and Dad

Jim Veevaert-

CONGRATULATIONS

YOU HAVE GRADUATED!

We are proud of the way that you will take a stand and hold firm when you think that something is wrong or unfair; Regardless of the consequence.

It is our prayer that you will always do so.

God Bless You,
We Love You,
Your Family

To Our Daughter
Kelly Goldsmith:

My prayer for you is that you will overflow more and more with love for others, and at the same time keep on growing in spiritual knowledge and insight, for I want you always to see clearly the difference between right and wrong, and to be inwardly clean, no one being able to critisize you from now until our Lord returns. May you always be doing those good, kind things which show that you are a child of God, for this will bring much praise and glory to the Lord. Phil 1:9-11 L.B.

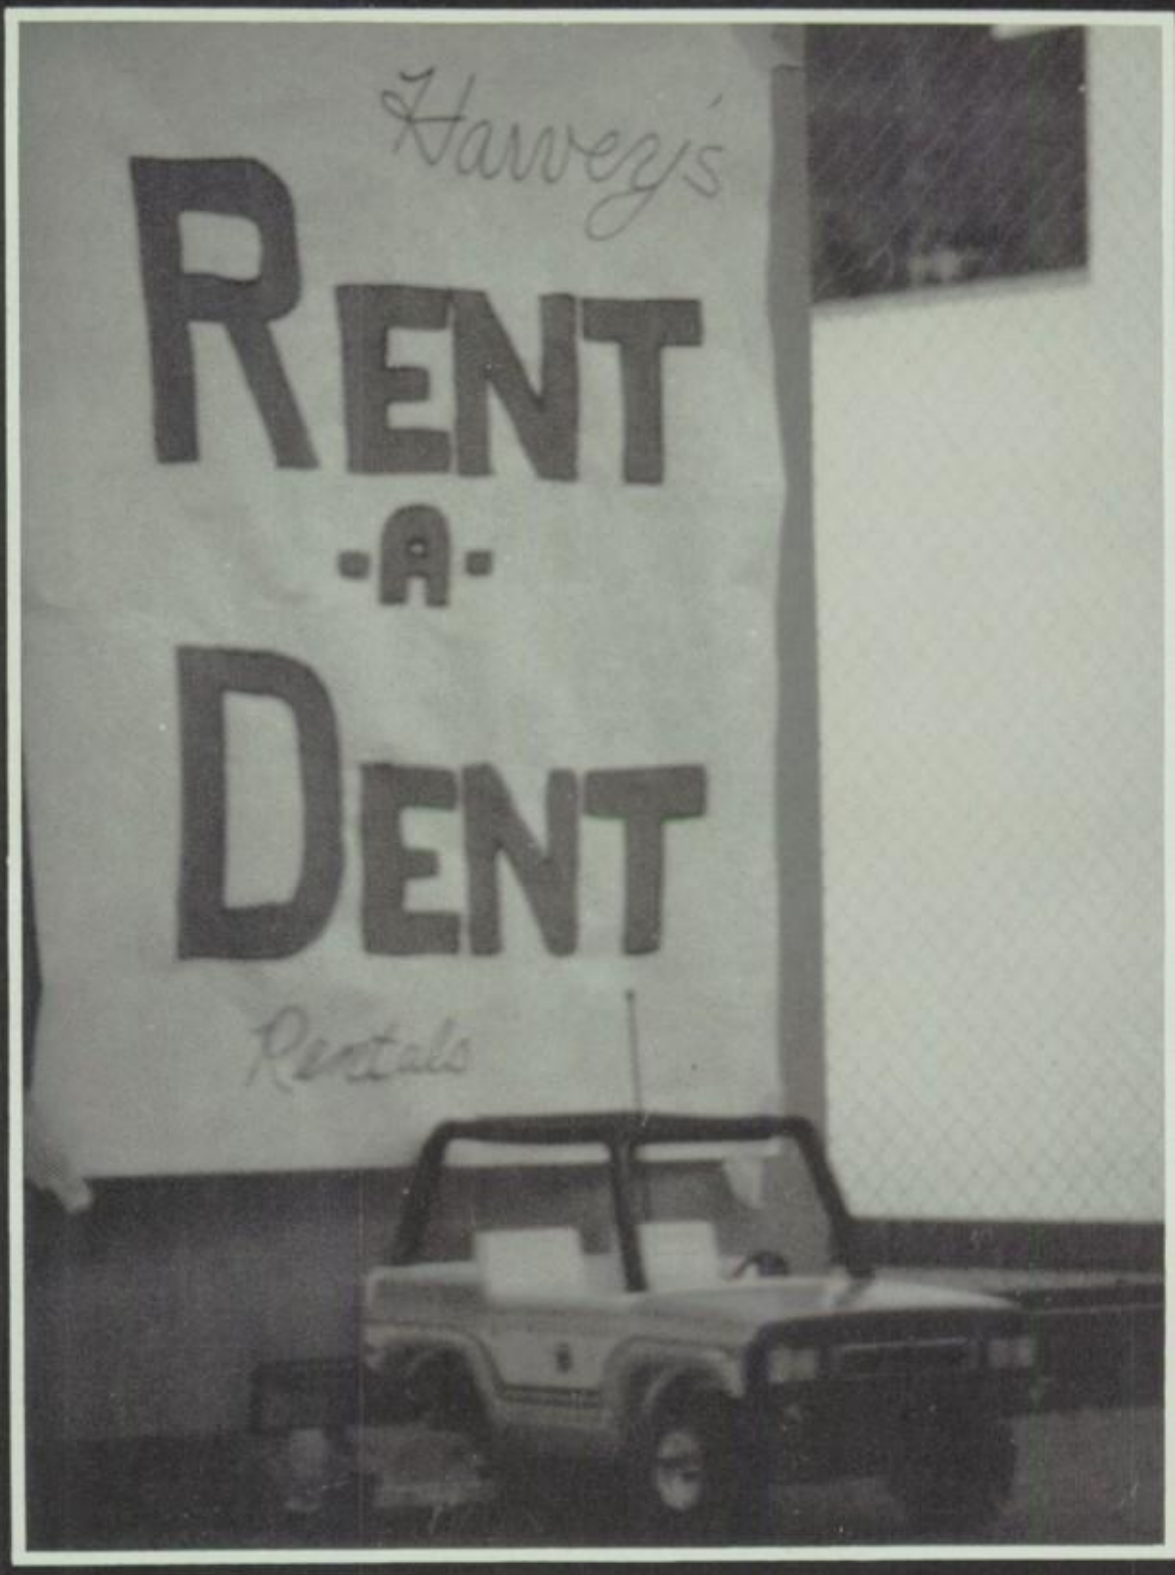
THE LONG AND WINDING ROAD



ADS

Well, this book has finally come to it's end. It's been a long, hard haul, but we've made it! I want to say "Thank you" to all the people who have helped out this year, and especially Mr. Volgeli for spending a **lot** of time working with us, and for all his patience. I hope that each and every person who reads this book will be able to appreciate Lutheran High as much as we do, and will feel proud to say that they belong to the Lutheran High Family. Thank you **very** much!

The year is over and so is this book. It's been a lot of hard work, and a lot of hard fun. I can't wait to do it again next year. I hope you enjoyed reminising through this book as much as we enjoyed working on it. A special thanks to Mr. Mitch Vogeli for all his help and understanding. Thank you Mandy, for keeping me sane during the year! Mike Coehlo, I'm glad you finally finished the golf page. Sheila, thanks for all your work in the dark room. Anyway ... it's been a terrific year and I thank God for all he's done for us.

THE PRINCIPAL'S MESSAGE

The theme for the 1981 EXCALIBUR is based on the Old Testament "WISDOM" book called Ecclesiastes- espcially the third chapter. Various versions refer to the title as either the Preacher or the Philosopher. The book expresses a definate philosophy for living. Whereas the author did not understand the ways of God, he does point the reader toward hard work and enjoying the gifts of God.

Perhaps the most difficult part of life is learning to know the patience expected of us by God. The third chapter begins with the foundation that EVERYTHING happens at the TIME GOD CHOOSES. Young and old often express the attitude of not being able to wait until...

In choosing a Christian education, your year or years have been directed toward that understanding of everything in God's own time. He sets the time for birth, planting, pulling up, building, sorrow, joy, silence, talk, love... I'm sure that those words bring to mind many aspects of our own program and its plans for both now and for the future!

God is His own time Sent sent His only begotten Son into the world for you and for me. God's knowledge as timing cannot be questioned in light of His supreme sacrafice and gift to us corporately or individually. It's exciting!

The credo of the writer are fitting words for a closing! I know that everything God does will last forever. You can't add anything to it or take away from it.

May your life and mine show the understanding patience of God at work in our lives according to His own time.

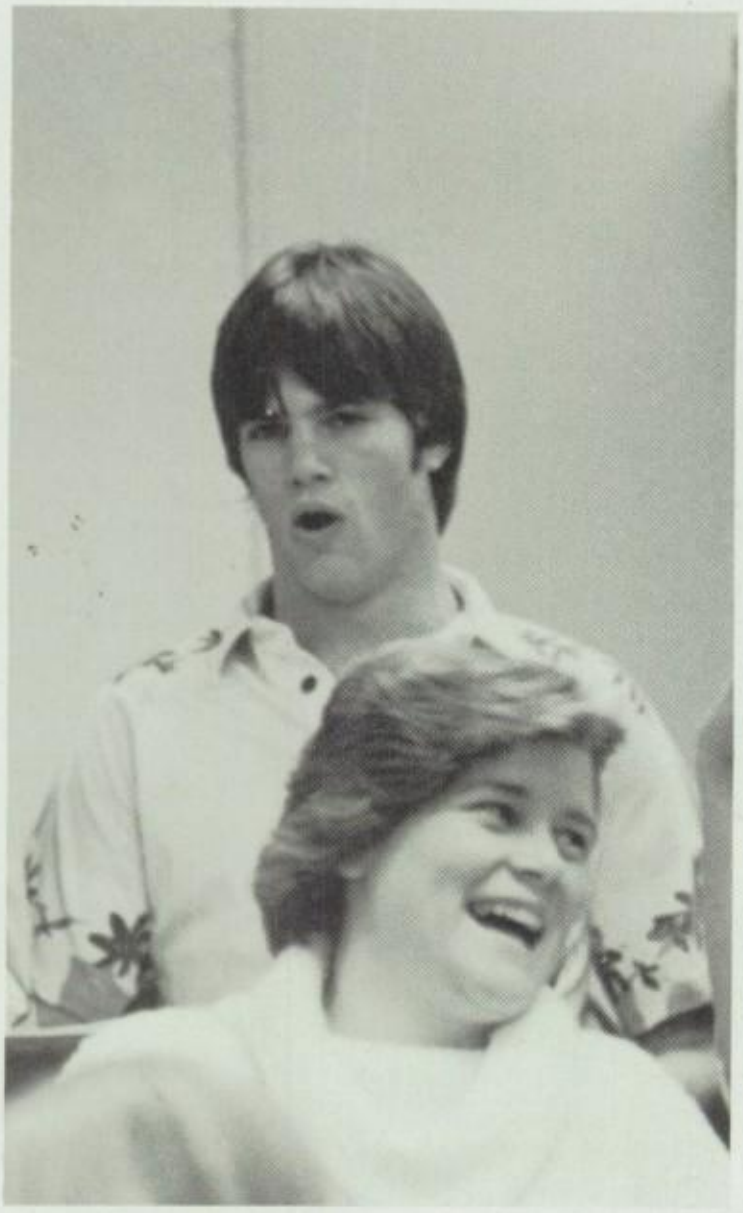
ACADEMICS



Our 1980-1981 Concert Choir was led by Mr. Lorin Smith and through his instruction sang beautiful praises to our Lord. Our prayer for the choir members is that as they are led to many different areas of service, they will continue to "make a joyful noise unto the Lord"-each in his own way.

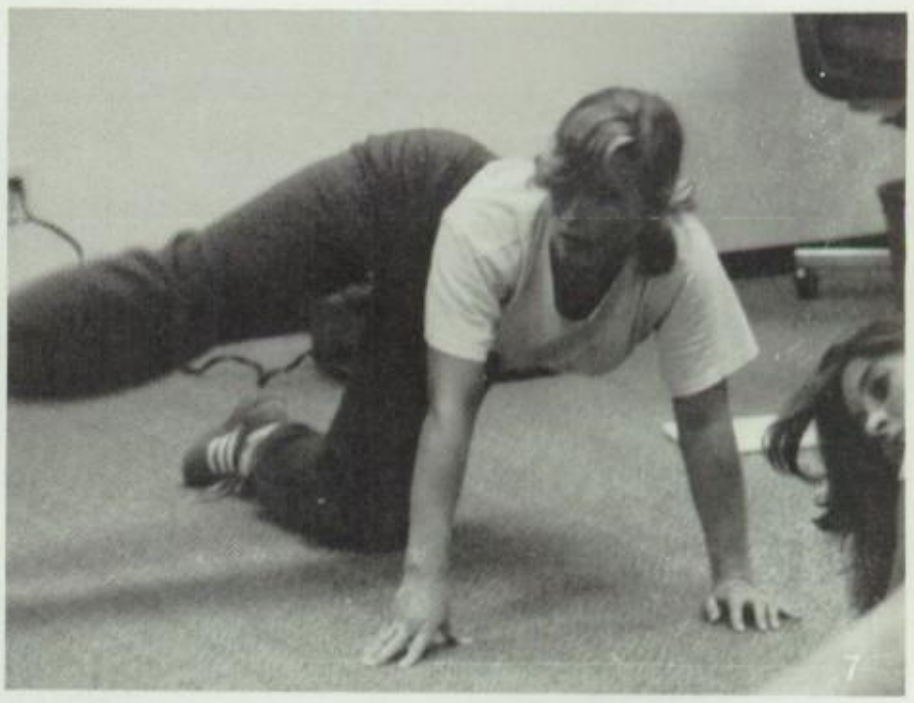
Dancercise

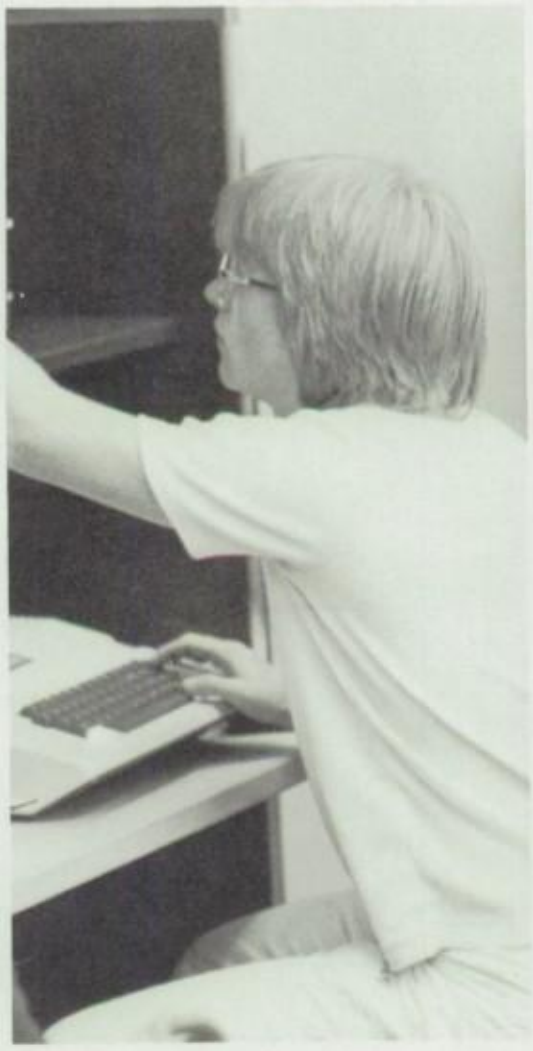
Dancercise dan(t)s-er-siz: n; an exercise class put to music. v; the object of exercising to music.

Dancercise is an after school activity started this year with an LHS alumni, Pam Brehm, teaching-coaching. It looks like lots of fun, and the girls love it a lot. (the ones that go!) We hope that this can be a continuing activity at LHS because it's fun, and it shows that you don't have to be in sports to be in shape!



1) Not **that** hard to do- 2) takes some concentration- 3) sometimes a little- 4) sometimes a lot- 5) but it's pretty fun- 6) everybody gets involved- 7) even the instructor!

Computer Club



The scene is room 410. Mr. Simmons waits patiently outside the door for Mr. Elfman.

"Okay, time to shut 'em down!" is our imperious leader's command.

"Just two more minutes!!" shouts a haggard sophomore.

"Can I print this out?" asks a senior in a jogging suit.

"Come on you guys, it's 4:15 and Mr. Simmons is waiting!!" prods the gentle but authoritative voice of Mr. E.

It's now 4:25 pm. Still, a few die hards pour over program printouts. As the lights flick off, a mobile student is heard to remark, "Maybe we could set up cots and send out for meals!"

"YEAH!!" shouts an intelligent looking junior with a scientific calculator hanging from his belt. The door closes. The day is done.

What drives people to act like this? ANSWER: Computer at LHS!!

Through the gracious donation of Dr. and Mrs. Walter F. Burke, LHS was blessed with thirteen Apple II computers. The interest was so great, LHS students started a computer club.

Hans Eckardt and Charles Raasch joined together and formed the LHS Apple Corps. Mr. Elfman donated his time as advisor, and Jim Bergman soon joined Hans (last or not?) and Charles in organizing meetings. Weekly meetings provided classes in beginning computing, contests, and of course, plenty of computer time. With all that activity, Apple corps even managed several guest speakers and a field trip.

Thanks to all who make apple corps. great!!!

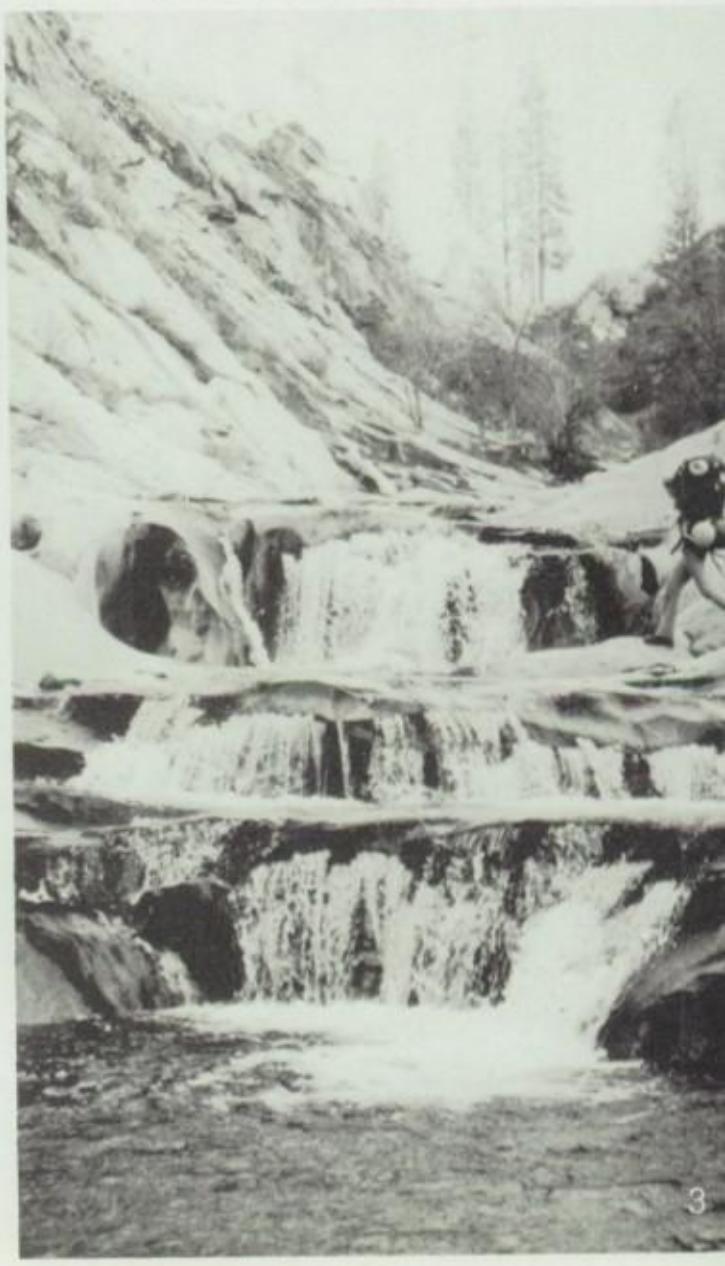
THE BACKPACKING CLUB TAKES A HIKE!

Our club jumped off to a quick but cold start by traveling to the Kern River and spending a two day outing struggling over rocks, cliffs, and freezing water. Our devotions centered on an understanding of our relationship with God in His environment so we can better understand our relationship with our fellow man in our environment.

A special thanks goes out to the Price family for their assistance in our trip to Joshua Tree to experience first hand the sport of cliff climbing. Our devotions were continued and we all seemed to grow spiritually through our outdoor experience.

1. The group poses at Joshua Tree. 2. Jim Johnson porking out again! 3. Dean Tapie crossing the icy water. 4. The group at Kern River. 5. The backpackers making camp. 6. Jill gets ready to climb the cliff. 7. Zane, Roy, and Dean taking a break.



Prayer Group

Prayer Group is held every Tuesday during first and second lunch. The group is made up of any students who want to go and have some Christian fellowship during their lunch hour. At the meetings, lunch is eaten, and prayer requests are shared.

Prayer Group has led a few of our chapel services this year. Everyone gets involved that wants to, and it makes for an interesting and informative service. Prayer Group is for everyone here at LHS, and we are thankful for such an opportunity to share in faith with other Christian students.

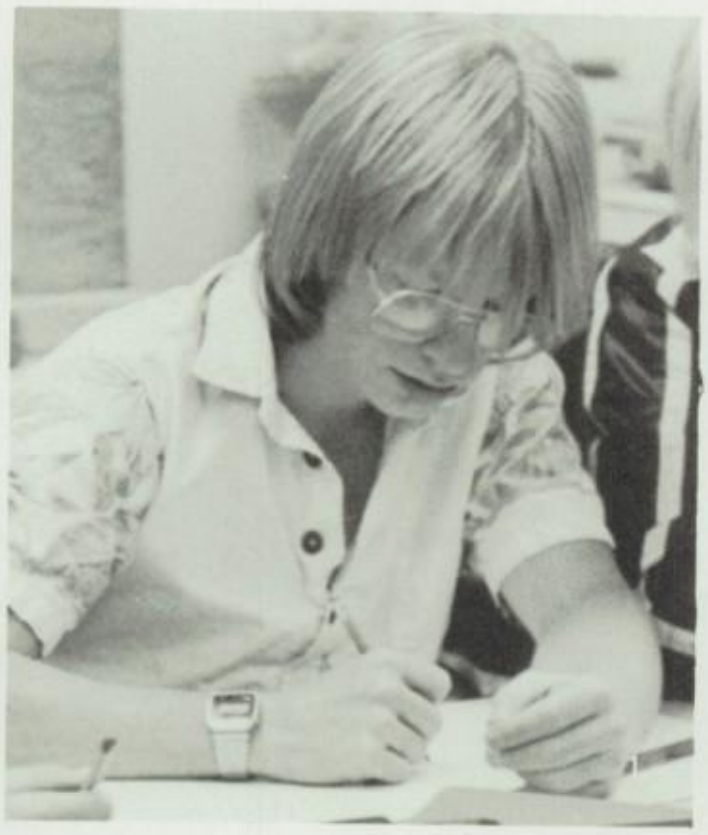
THE LANCER GALLERY



Pict. #1 Roger is finally doing some work. Pic. #3 Melanie is getting serious about her work. Pict. #5 Ragni, you've got to be kidding. Pict. #6 Chari and Friend are busy working on the art show.

The Lancer Gallery is a new after school club, which finally had its beginning in the year of 1981, and it is a club open to anyone truely interested in art. It was a dream come true for at least one person we know, Mrs. Lothian, who is the advisor for this club.

This year the club had about 15 regular members. There were 6 elected officers as follows: Pres. Ragni Nelson, V. Pres. Gerald Skogen, Sec. & Tres. Megan Morris, Publicity Lisa Jenkins and Danny Green, Refreshments Mignon Buzard (all officers in Pict. #2)

In April, the art club sponsored an Elementary School Art Show, for all the Lutheran Schools associated with L.H.S. There was a really good response, with approximately 2,000 participants. On May 7, they had an excellent turn out for viewing of winning art work and a reception of awards. The entertainment was also very good.

With about a month of planning, everything worked out great. We hope that the art show will continue to be a tradition at L.H.S., and that the Lancer Gallery will continue to grow.

Book Store

The LHS Bookstore is a student run store. In the bookstore students learn how to manage and run the store. They do inventories, order supplies, operate the cash register and many other chores that would have to be done in any other store. The bookstore is all volunteer work and workers are chosen by the advisor, Miss Growe.

Miss Growe has really done a good job as advisor, as this was her first year at LHS.

The managers this year were Mark Madot and Gordon Watson. Assistant manager was Dona Hollenback. A special thanks to all of them.

The Saga Of The Excalibur Staff

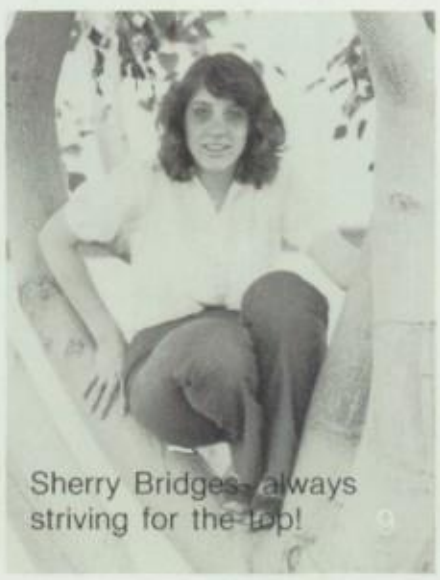
The Sad, Sad Story Of A Class Gone Crazy!

Once upon a time, there was a yearbook staff

One day they realized they had work to do! 4

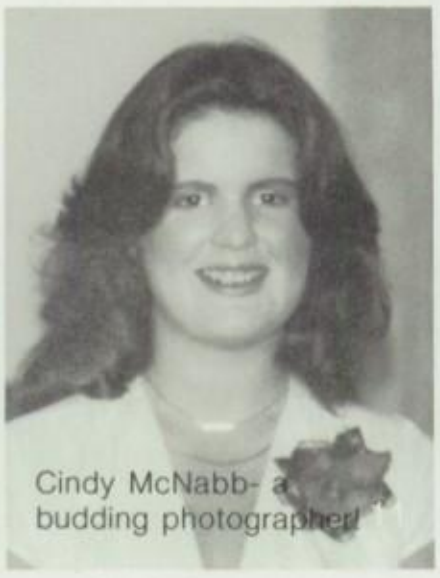
So they gathered up all their materials and got to work. 5

Gordon Watson- artist extrodinaire! 8



Sherry Bridges- always striving for the top! 9

Sheila Sears- always with her nose in a book! 10



Cindy McNabb- a budding photographer!

The 1980-81 Excalibur staff was a rather small one this year, made up of only nine students. The class, led by Mr. Vogeli, was an interesting one! Some days, the whole class would be hard at work, and others, there might be only one or two people in the room. Where was everyone else? **That** is the secret of the Excalibur staff. But we'll give you a few hints: playing field hockey, talking on the phone, doing business in the office, working in the art room, talking with friends, or just wandering around. But! The book finally did get finished. This year's staff had fun making this book, and they wish next year's staff the best of luck.

Associated Student Body

The Student Council really had their act cut out for them this year. With a virtually unexperienced ASB, they some how managed to put on a spectacular Homecoming Dance, and half time show for the Homecoming football game. They also started a new tradition: Sunday Night Live, a Bible study on Sunday nights for all LHS students to come to and enjoy fellowship together. In Spring, they sponsered a Faculty vs. ASB Softball game. They had a really good year, despite some personality conflicts. We all better thank the Lord that He helped them make it through the school year!

At The Marriott!!!

They were simply fantastic and played a variety of music, ranging from disco, to rock-n-roll, to punk and new wave.

In the midst of the evening the Prom King and Queen were announced. They brought all three of the final couples forward; KAREN BATHKE and KEVIN BUNGE, DONNA McGINTY and SCOTT BAUER, and MARLANE MORRIS and SCOTT ERIKSON. The anticipation rose steadily as Mr. Vogeli, a teacher here at L.H.S. and also a chaperone for the night, slowly announced, SCOTT ERIKSON and MARLANE MORRIS, King and Queen for the night. Afterwards a song was played for just the court, so they could have one special dance. The dance then continued with more excitement among the group than before.

The danced ended at 1:00 a.m. There was valet parking although a few couples left in chaffeured limousines.

All in all, it was a great dance and a night I'm sure all of us will remember as a, **"MIDNIGHT RENDEZVOUS."**

Midnight Rendezvous

The Juniors class of 1981, proudly presented the Seniors with, **"Midnight Rendezvous." "Midnight Rendezvous,"** being the theme for the Junior-Senior Prom of 1981.

Couples came from far away to attend this dance; Palm Springs, Norwalk, Riverside, Westwood and many others. And yet some came from as close as Huntington Beach, Costa Mesa, and yes, even Newport Beach. Maybe somewhere along the winding road to Prom, the dance was destined to be a great success.

The dance was held on Friday night, May 1st, at the fabulous Marriott Hotel in Newport Beach. Dinner was served promptly at 9:00 p.m. The menu for the evening was; Chicken Madiera, mixed green salad, and a delicious chocolate mousse.

Albert and James were there to take pictures of the couples, while Senior Portraits took pictures of the dance itself.

The music was provided by a very talented group by the name of **Surge.**

A.S.B. Vs. Faculty In Softball

During the course of the school year, the ASB sought to improve relations between the faculty and the students. In an effort to do this, they initiated a softball game between the ASB and the faculty. It was held on a Friday in May, on the day of the faculty meeting. Usually on these half-days, periods 1-4 meet. On this particular Friday however, only periods one and two met. After break, the whole school was down on the field watching the game. The faculty had good competition, and it was a close game the whole time. After the 3rd inning the faculty was declared the winner with the score of 5 to 4.

It was a lot of fun, and we hope to see more of these activities in future years.

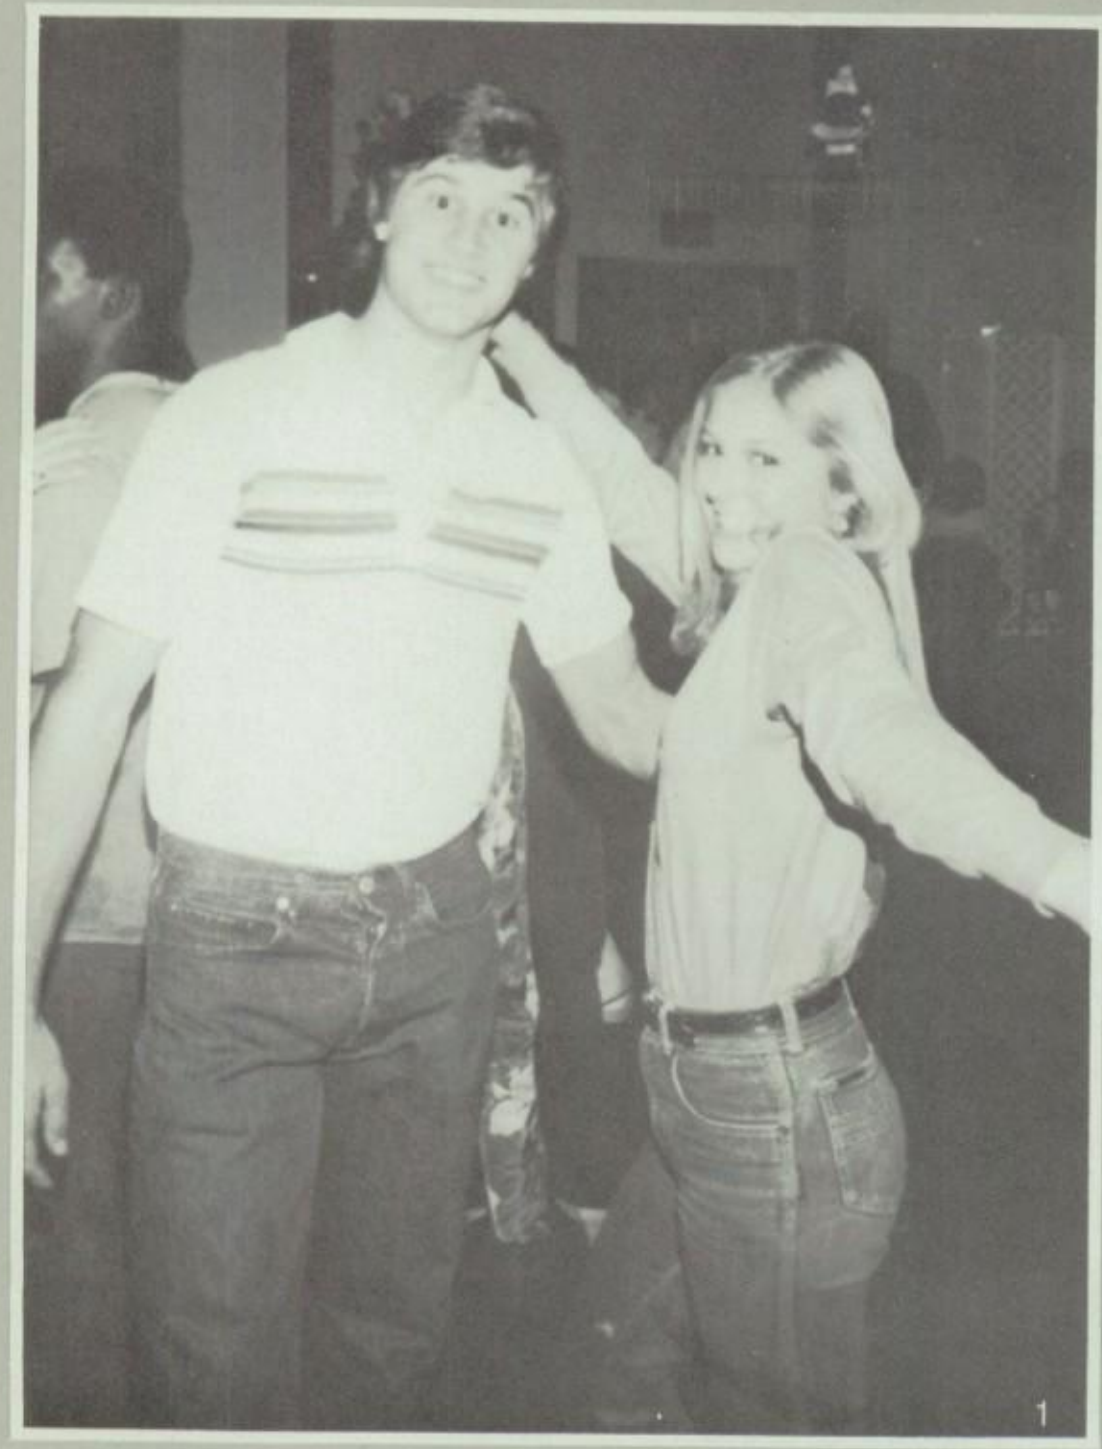
Christmas Casual Rockin' Eve '80



1

On a nice, not-too-cold, typical Southern California winter night, Lutheran High's Christmas Casual was held at Trinity Lutheran Church in Santa Ana. Walking up to the door, you would hear the sounds of talking, music, and laughter filling the night air. Walking inside, you would see groups of people dancing, or just standing around, enjoying the music provided by Paul Fox. Looking around, you would notice the nice decorations, done by the sophomore class. Sitting down, you would soon find yourself standing up to go dance to a few songs by AC/DC, Led Zeppelin, or perhaps Lynard Skynard. Then, after realizing the dance was over, you would hop in your car and go home! Or at least hop in your car and leave!

Footloose And Fancy-Free

This year the cheerleaders again sponsored the Sadie Hawkins dance. It was held at St. Johns on a beautiful November night. Couples were dressed in an array of western clothes ranging from overalls to designer jeans. There was no band this year; however, the tape, prepared by Nathen Neben, proved itself to be fantastic. There was a lot of music, a lot of foot stompin', and a lot of fun!

Homecoming Dance 1980

The Homecoming dance was held at Christ Lutheran Church in Costa Mesa. The gym was uniquely fashioned after the television show, Fantasy Island. The students enjoyed dancing to the music provided by Zedikiah, the band which performed. And of course there was still a lot of excitement because of our victory over Eagle Mountain that afternoon in the Homecoming football game.

The 1980 Homecoming Football game was one to remember. It was the first Homecoming win in the history of the school. It was a game in which several seniors played their last football game at LHS. It was because of the feeling that this game could be their last, plus it being Homecoming, that the game was not even a contest from the moment the team stepped onto the field. It was a game that showed what a team can do when they give totally of themselves. The final score was 54-12, proving that the Lancers, with the help of God, can really pull through in a tight spot.

Spirit Week 1980 . . .

was a **very** interesting week. The week started out really **well** with the Freshman trying their hand at decorating the halls for Western Day. There was a pep assembly during the day in which the different classes competed against each other in various events. There was a tug-o'-war, a rootbeer chug-a-lug, and also a three legged race.

The next day was Tourist Day, and this meant it was the Sophomore's turn to decorate the halls. All day there was a variety of people in a strange array of clothing.

Wednesday was a new and welcomed change from 50's day . . . it was 60's Day, with the Juniors decorating the halls. Everyone got into the feel of things, man.

When Thursday came around, a different attitude hit LHS. It was M*A*S*H Day, the day that the Seniors decorated the halls. It was also the day that it was learned that 15 of the Varsity football players may be kicked off the team for disobeying team rules. **We later learned that this** would actually happen.

Friday was the traditional Spirit Day. Students dressed up in Lancer colors red, white, and gold. You may ask, who won the class competition **in 1980? Well, of course, the Seniors did!**

9. Scott Krause and Jill Johnson took a turn on the dance floor too.

Kick-Off

dances seem to be a tradition at LHS, and this year was no exception.

The

dance this year was held at Trinity, Santa Ana. Lots of people showed up and there was a wide assortment of dress and attitudes.

New

wave, rock, and even a bit of mellow music was played. Everyone seemed to enjoy themselves at this dance to start off the new

School Year.

L.H.S. Golf Tees Off

The Lancer Golf Team competed for the first time in the Arrowhead League. They responded by winning the league with a perfect 6-0 record. The team got off to a slow start by losing three of their first four matches. They then won 13 straight matches to finish the season with a fine 14 & 3 record. That was good enough to get them to C.I.F. for the first time. The Lancers finished 17th place in the C.I.F. regionals. Scott Erickson went on to the C.I.F. individuals finals. The young team has five of its top six returning and is looking forward to a promising next year.

History Repeats Itself! Girls Get 1st Place In League!

The girls track team did an excellent job this year. With a league record of 6-1, they tied for first place in league. With their hard work and their reliance on God, they kept striving for that first place trophy. A special congratulations to Lisa McCann in the 200 m. and Annlisa Retwisch in the 800m. who went to finals in CIF.

Girl's Softball Hits CIF

This year, the girl's softball team did really well! They were first in their league, with a league record of 7-1, and an overall season record of 13-5-1. Halfway through the season, the girl's coach, Miss Paul, came down with a very bad case of pneumonia, leaving the girls on their own. Mr. Smith stepped in and helped the girls, along with Mr. Simmons, occasionally. The team found themselves headed for CIF, and they did a fine job in the playoffs, unfortunately losing to Paraclete in the third round. All in all, the girl's had a **great** season, and we hope that next year is just as prosperous for them!

Varsity Baseball Hits CIF

The Lancer Baseball team really had a great season. They went undefeated in league and made it all the way to CIF semi-finals and lost. They had some problems at the beginning of the year, but soon they worked them out, and their team work really showed through!

Congratulations to Coach Senne and Coach Tidwell for receiving Arrowhead League coaches of the year! Special congratulations to Mike Senne for being named Arrowhead League player of the year!!

1. Catcher, Scott Bauer, throws the ball to second place. 2. Dwight Pargee takes a breather from the game. 3. JV Baseball: A New Attraction!

Back row: Darren Foote, Dave Poerschke, Mark Lofink, Steve Dierker, Doug McGrew, Coach Tim Detviler. Front row: Tony Rapp, Karl Kahre, Jim McFarland, Brian Castorina, Mark Heinlein.

The JV Baseball team was a new concept here at LHS. So many guys showed up to try out for the Varsity team, that the only logical thing to do was start a JV team. So Coach Dowding rounded up LHS alumnus and former baseball superstar, Tim Detviler, to coach the team. It was a fairly successful season and we would like to thank them for all their hard work! We're real proud of your effort guys!!

Annlisa dribbles the ball. 6. Karen Bathke takes the ball down the field. 7. Some of our team's talent during one of our victorious games.

This year was the first year for an LHS girl's soccer team!!! And what an awesome first year! Since only three people showed up for pictures, and we're sure you'll want to know who the team consisted of: Freshman - Kacey McKee, Christy Stauffer, Amy Andruss, Sonja Serigstad. Sophomores- Brenda LaChance, Susan Serigstad, Nancy Corrigan. Juniors- Stacy Andruss, Annlisa Rethwisch. Seniors- Karen Bathke, Karie Ghidella, Stacy Rallison, Steph Soma.

The team had a few beginners and a few experienced players, but as a team, we showed the other school's just what talent we have here at LHS. Karen Bathke received the Best Offensive player award, and Stacy Rallison received the Best Defensive player award. We thank God for the great success of this first year sport!!!

We want to give a very special thanks to Mrs. Bathke, who volunteered herself to be our Coach, and our success was all because of her constant patience and instruction.

In November, 40 young men enthusiastically took to the field anticipating an enjoyable and successful soccer season. We ended up with 15 varsity and 16 J.V. The highlight of the season came in the middle of December when we took the championship trophy for our own Orange Lutheran's first invitational tournament.

During the league season there were many close games, as noted by the 4 ties of our 14 games. All in all, the team played well, and much improved. The fact that no team ever scored more than 2 goals against us is something to be proud of. All together, we outscored our opponents 42-25.

Jeff McClary tallied up 18 goals total during the season, followed by Doug Germond with 6. Glen Schlueter helped to anchor the defense, along with Scott Erickson and Tim Glastetter (goalie) our two co-captains. Mike Bathke and J.J. Soma dazzled everyone with their soccer skills in midfield, and, of course, every other team member contributed considerably.

The team also established five school records in the areas of scoring and shooting percentages. Individually, Elizabeth Brehm, Julie Koster, and Sandi Scott each broke one school record while Karyn Haight established five new marks. Congratulations to all team members who contributed to the success of the season through their dedication and enthusiasm.

Basketball . . .

Varsity Basketball was a young team composed of seven juniors and four seniors. They finished the season with a 15-9 record over all and 9-5 in league for a third place finish. The team got to the second round of the CIF play-offs. Mike Senne, Anthony Beck, and Scott Bauer made All-League. With a lot of work, next year will be better than this year.

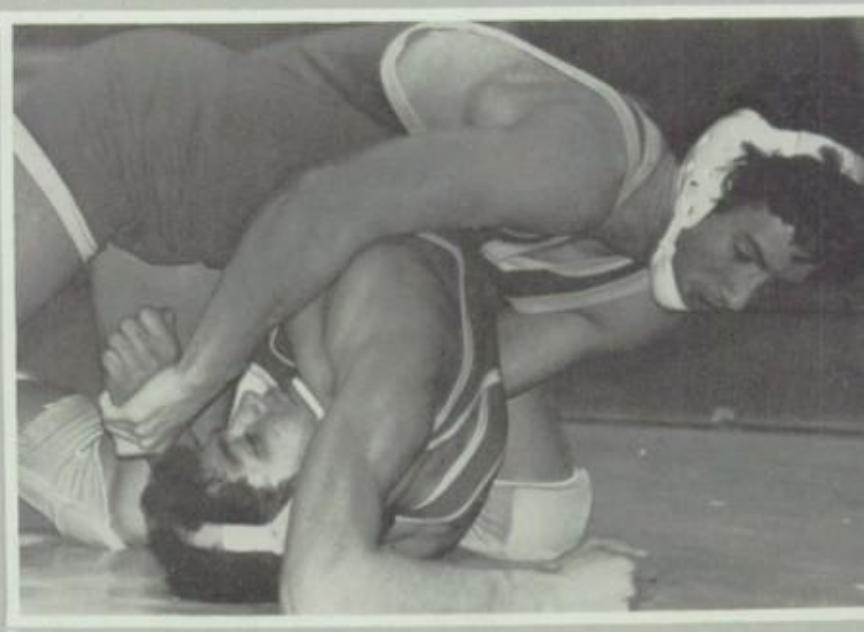
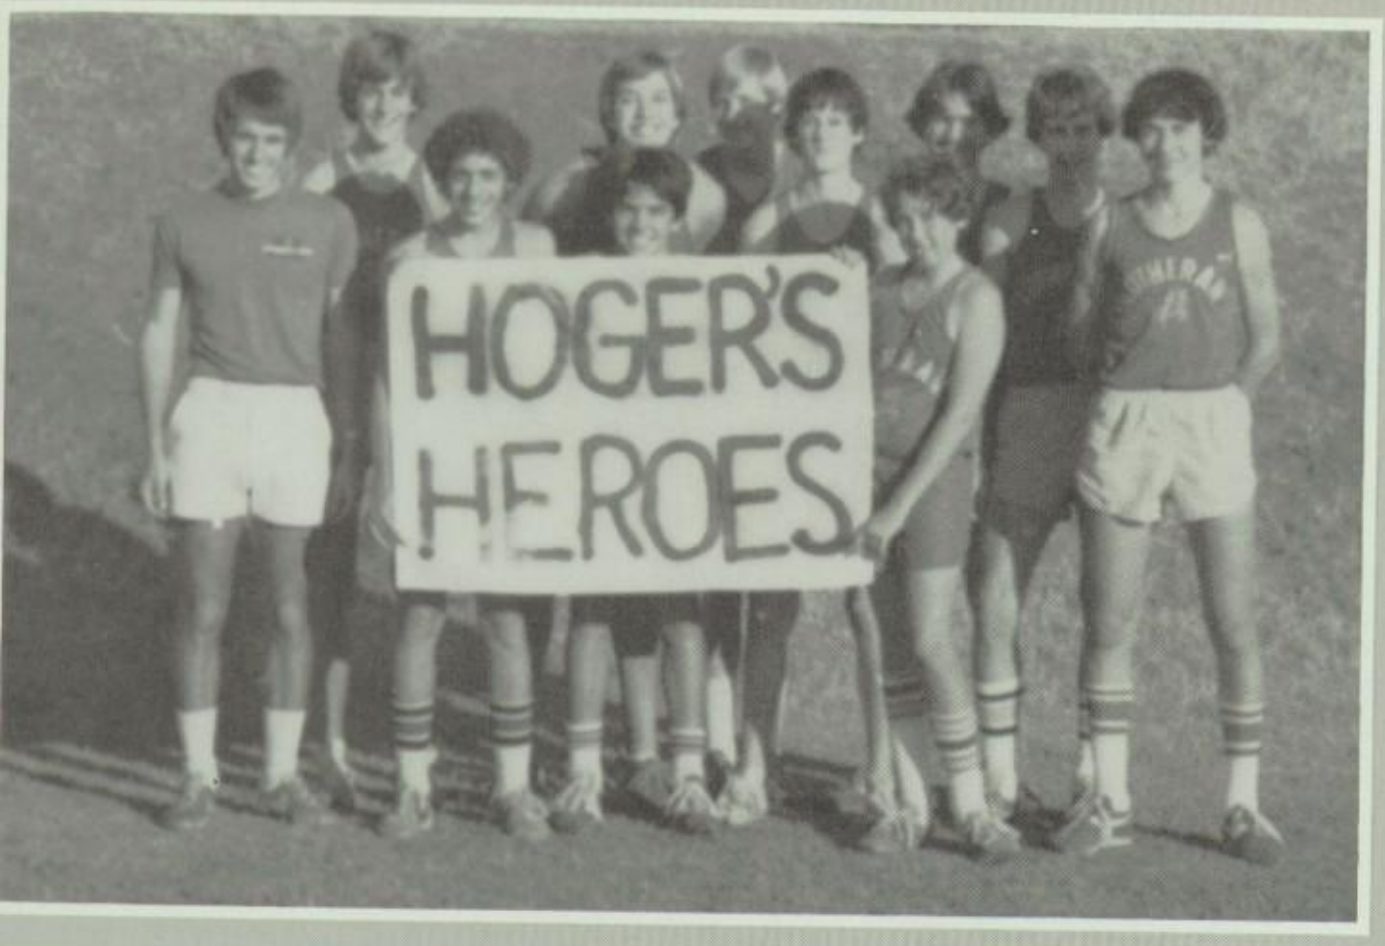
Grapplers Go For It!

1981 found LHS experiencing their first wrestling season. Struggling through their 8 meet league schedule with little room to practice, no home meets, the Bungerian and Ormanian flue, four men short of a team, the grapplers gained a vast amount of experience, both in wrestling and in relationship with their Lord! Nate Neben and Kevin Bunge received the most visible reward by taking first places respectively in our league tournament. Kevin and Nate went on to the CIF sectional tournament and Kevin placed 4th, gaining the opportunity to compete in the CIF final tournament. Wrestlers with outstanding records this year were: Kevin Bunge-22-3, Nate Neben-19-3, and Eirik Orman-14-3. With the prospect of having a regulation size mat next year, with work and dedication next season, Lord willing, we will have an outstanding team!





The boys team had a lot of youth and not enough depth. The front runners, led by John McFarland, ran well, but the dual meet record was only 3-6. John made it in the top ten in the Arrowhead League Meet. Boys dual meet record 3-6.

n't Running Empty!

BOYS TEAM: Jim Kuhlman, John McFarland, Jim Bergman, Steve Paine, Eric Vargas, Jeff McClary, Brian Nasser, Dave Lofind, Rob Thompson, Rick Quist

The girls only trouble during the season was keeping all seven runners healthy. They started the year strong and won their way up to a 6th place ranking among 1A schools. Injuries then set in and the girls had to settle with a 5-3 dual meet record and a 3rd place league finish. Sharon Kuhlman finished in the top ten in league, while Annlisa narrowly missed a league championship. Annlisa went on to "star" in the CIF meets, finishing 4th overall among 1A girls! Girls dual meet record 5-3.

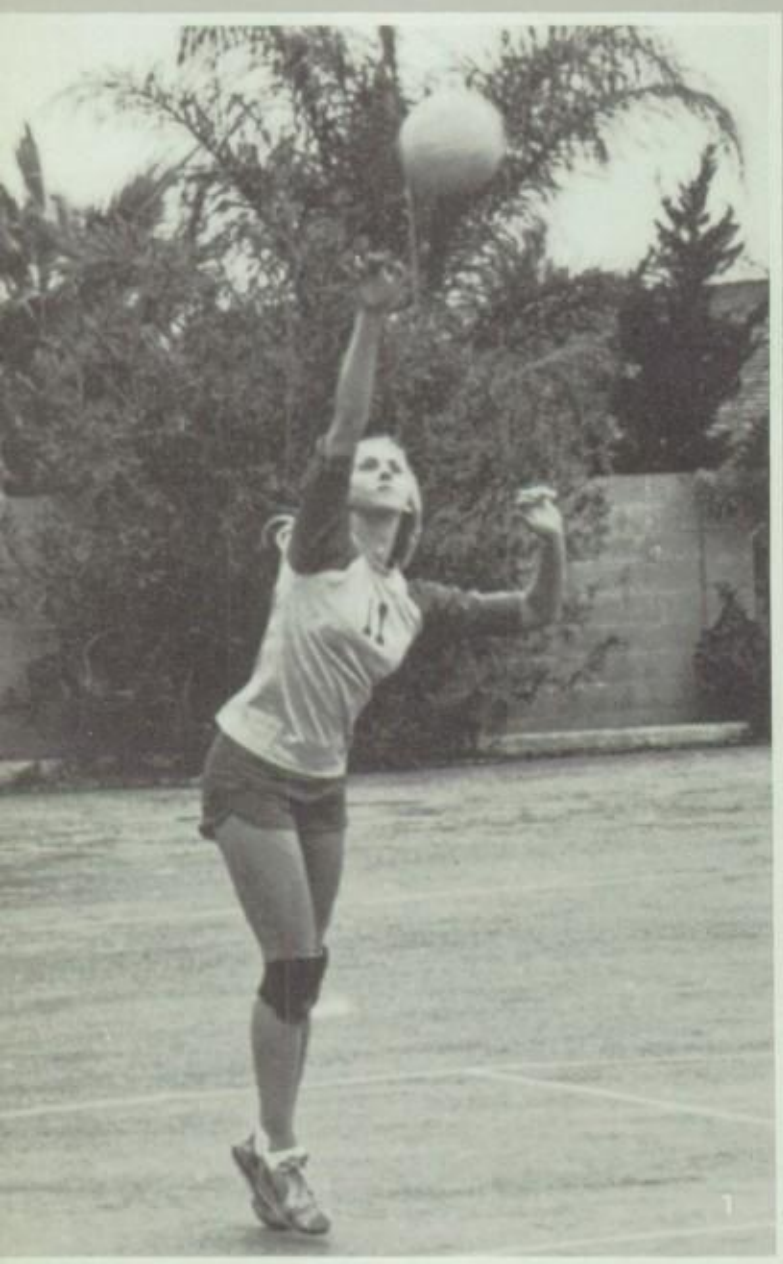
(* indicates league games)



Volleyball, 1980, was an unforgetable season! Regular season play ended with a remarkable 20-0 record and a fourth consecutive season of undefeated league play. While nine individual records were established by Karyn Haight and Sandi Scott, nine team records were tied or broken. The memories of this season will remain special for many individuals who experienced or witnessed not only the effort, enthusiasm, and skill of the team, but also the constant Christian testimony displayed by a group of young women dedicated to glorifying the Lord during and after their athletic endeavors.

1. Karyn Haight, CIF's most valuable player, spikes again.

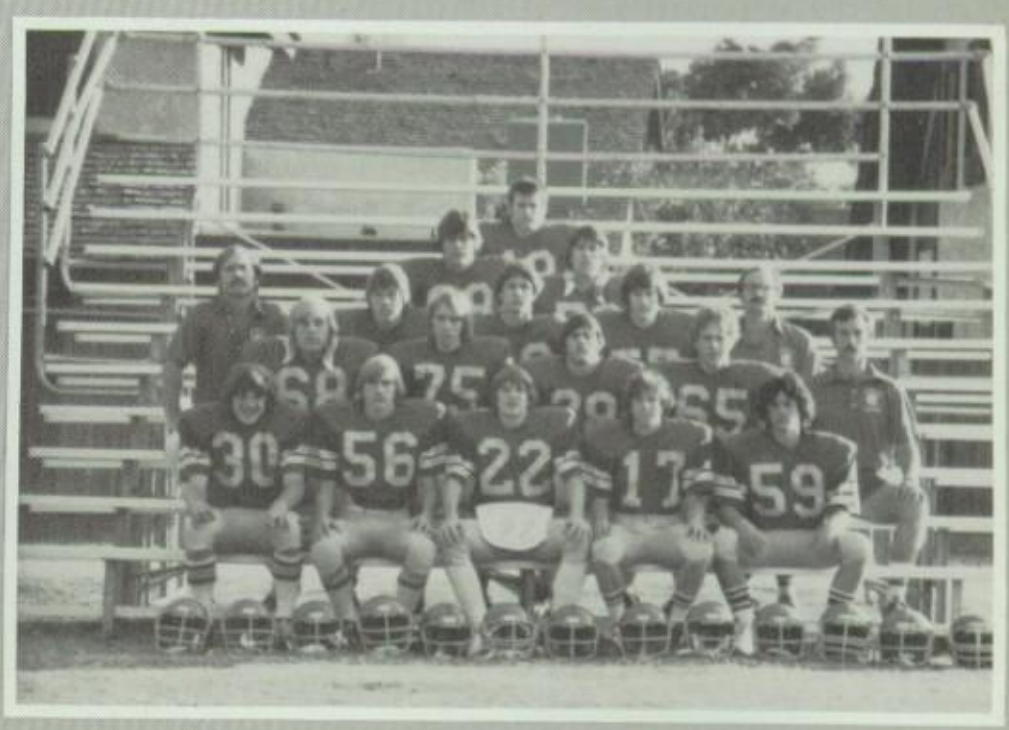
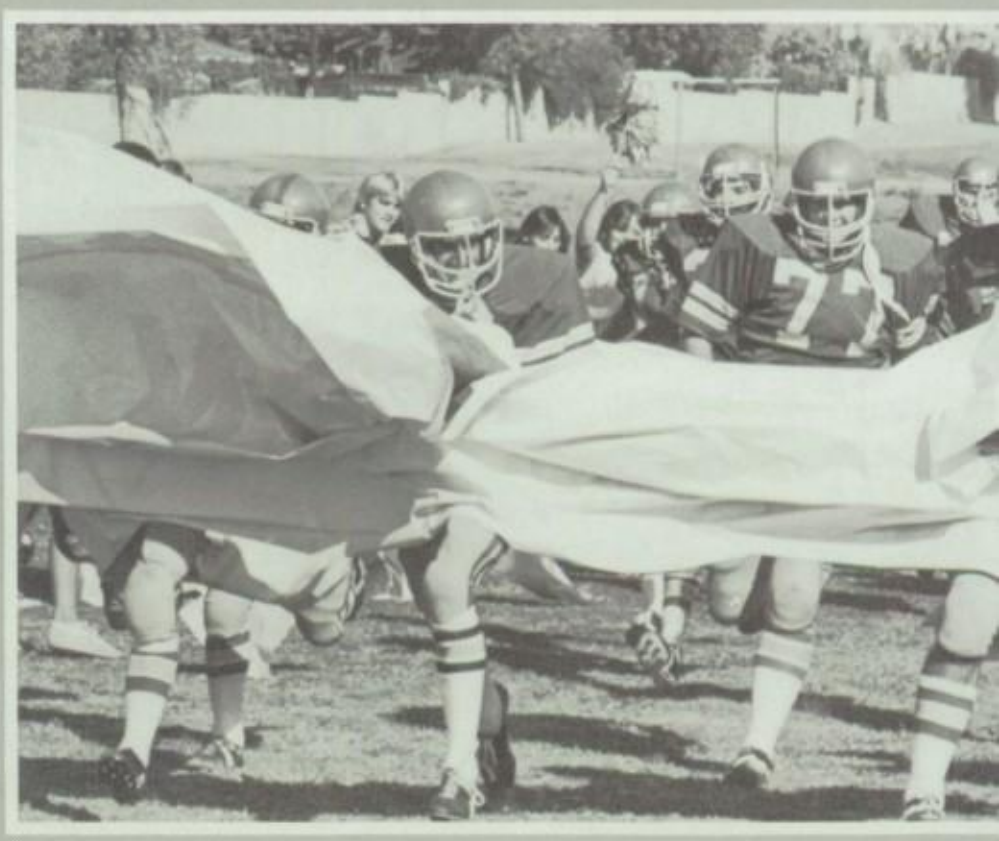
L.H.S. . . . Hike!

In the upper left picture, Scott Erickson kicks another extra-point. The picture above shows Scott Bauer's determination to carry that ball!!! The picture to the left is our Greg Green, our offense Super-Star! In the bottom left picture are Karla Ghidella, Mandy Brase, Steph Soma, and Jennifer McCaan, the stats girls, or other wise known as "Dowding's Darlings" The picture below is of the "Fearsome Fifteen".



The picture to the right—Nate Neben and Eirik Orman show off their talents as an awesome duo. Below, our Lancers killed them again, Lancers on to victory!!! In the left bottom picture, Kevin Bunge, leading in defense, takes down a Marshall player. In the bottom right picture, Dwight Pargee and Scott Lohan on the Lancer Defense.



Our 1980 Varsity Football Team finished the season with an over-all 6-3 record and a 5-2 league record. Highlight of the season was a 54-12 defeat of Eagle Mountain on Homecoming. It was our first Homecoming victory in the schools history. I feel the players used their God given talents to the very best. We finished third in league but I feel all the players can feel they are number one because of the outstanding way they glorified God through the playing of football.

Pope John Paul II Shot

On a sunny Wednesday in May, the Pope John Paul II was blessing the thousands gathered in St. Peter's Square, Rome, when all of a sudden a shot rang out. The Pope had been shot.

The Pope had been cruising around the Square in his jeep, reaching out, blessing people, when all of a sudden, he had been struck.

He was immediately taken to Gemelli Hospital, and wheeled into the ICU. There he was given blood transfusions.

Two bullets hit the Pope. One shattered the two joints of the ring finger of his left hand, then ricocheted off and grazed his right arm. The other went straight through his abdomen, ripping apart his intestines. He was in surgery for 5 hours, 25 minutes.

The Pope came out in good condition, though there was some concern about infection.

'Dallas'

A new nightime TV-soap came on the air this year called 'Dallas'. It airs on Friday nights at 10 pm on CBS. This soap is about a bunch of sex-crazed, brawling, lying, over-wealthy Texans. The stars of 'Dallas', Larry Hagman, (a real Texan) and Linda Gray, elevate the art of sleazy manipulation and exploitation to unheard-of heights. Hagman says the show is tame compared to the Texas he knows: "If we did the **real** 'Dallas', they wouldn't let it on the air."

The Space Shuttle

The Space Shuttle lifted off at 7am EST, on April 12th, 1981, from the Kennedy Space Center in Florida. From there it went up into space, and orbited the earth for a total of 54 hours and 21 minutes, under the careful direction of pilots John Young and Robert Crippen.

Crippen was commented as saying, "This is the world's greatest flying machine! It was great!"

The shuttle landed on April 14 at Edwards Air Force Base in California at 10:21am PST. There the shuttle was treated with cheers of "Way to go, USA!" and, "We love the USA!" Thousands of Americans came to the base to see the perfect landing of the shuttle.

The Space Shuttle scored 4 monumental events: 1) Re-established the US as the world's leading space power 2) Laid foundations for unparalleled advances in technology 3) Made possible a revolution in American military defenses 4) Established a voyage time, longer trips will now begin, maybe even lasting for weeks.

A Big Welcome Hug

After 444 days of captivity, the American hostages were released from Iranian grasp on January 20, 1981. After 14 long, grueling months, they were free!

Jimmy Carter had gotten the $5.2 billion dollars of Iranian assets transferred over to their accounts, and so the Iranians started the process of sending our 52 Americans back to us.

They boarded a Boeing 707 at Tehraris Mehrabad Airport, and flew to Algiers. They then flew to Frankfurt, West Germany, and then to the American Air Force Base's Hospital in Wiesbaden, West Germany. There they were met with cheering Americans waving flags, and ex-President Jimmy Carter. Relatives were asked to stay at home in the U.S.A., so that the freed hostages could have a rehabilitation time.

Yellow ribbons had become a symbol for the hostages, and when they landed in upper-state New york, there were met by 139 loving relatives, and thousands of yellow ribbons: tied around the nose of a DC-9, on the police dogs that protected them in Washington, everywhere they looked.

They were then driven to West Point, where they spent two glorious days getting re-acquainted with their families.

Half a million Americans lined up along the streets of Washington to cheer for the freed hostages as they rode to the White House, to be met by the newly inaugurated Ronald Reagan, thousands of cheering Americans, and a military band playing "America the Beautiful" and "Tie A Yellow Ribbon".

Ronald and Nancy Reagan gave them the official greeting, with the President saying, "Thank you for making us proud to be Americans."

This is so true. We thank God for their release, and we praise Him that our 52 hostages are alive and well.

Ronald Reagan Shot

After addressing a labor meeting at the Washington Hilton Hotel, Ronald Reagan walked out the back door to wave to fans and get in his limosine to go back to the White House. As he waved to a citizen, six shots suddenly rang out in rapid succession. The President had been shot, today, Monday, March 30, 1981, at 2:30 pm. The President was shoved into his limo, which quickly took off for George Washington Hospital. Over in the corner, a group of men huddled, pressing the would-be assasin John Hinkley Jr. against the brick wall. On the sidewalk lay three wounded men. James Brady, the President's Press Secretary, had a bullet lodged in his brain. Secret Service Agent Timothy McCarthy had a bullet in his stomach, for when he heard the first shot, he turned his body towards the sound to protect the President. Thirdly, Washington policeman Thomas Delahanty lay on the sidewalk, screaming from the pain that the bullet in his neck produced. President Reagan did not realize that he had been shot. In reality, a bullet had gone in under his left armpit, and had collapsed his left lung. The President walked into the hospital on his own, joking that he "forgot to duck." President Reagan was in surgery for about 2 hours, Press Sec. Brady was in surgery for about 5 hours. President Reagan came out of surgery with flying colors. Officer Delahanty was recovering well, though it was thought that Brady would have brain damage. From all across the world came letters, telephone calls, and telegrams from well-wishers. Nancy Reagan collected them all in a big box, and kept them with her where she set up vigil outside of Ronald's hospital room. During his whole hospital stay, Pres. Reagan kept up his always humorous outlook on life. In a few notes, he wrote: "Send me to L.A., where I can see the air I'm breathing"-"If I'd had this much attention in Hollywood, I would of stayed there"-and to an attentive nurse-"Does Nancy know about us?" Soon the President was up and walking. He hadn't missed out on any of his morning cabinet meetings, for his cabinet came to visit him every morning, and to hold their regularly scheduled meetings. It wasn't long before President Reagan was back in the White House, getting back to business. For this we are thankful and gratefull. God really **does** protect His children!

TSS

The drama began in June, when researchers at the US Center for Disease Control in Atlanta determined that a disorder called Toxic Shock Syndrome was related to women's use of tampons.

Since 1975, there have been more than 400 reported cases of TSS, which is caused by a common bacterium, and occurs mostly in menstruating women under age 30.

Tampax tampons are the oldest brand on the market, but with new scientific developments, many new brands have come onto the market. The newest big seller has been Proctor and Gamble's Rely brand tampon.

The Rely brand tampon was pronounced as a tampon that was related to TSS, and was temporarily removed from the market.

Lady Diana

Well, it has finally happened: Prince Charles of Great Britain has finally picked a bride. Young Lady Diana, 19, has chosen to live the rest of her life with the dashing Prince Charles, 32.

The Prince proposed to Lady Diana over dinner at Buckingham Palace, shortly before Diana's February 6 departure for a vacation in Austria. He wanted her to think about it, but Diana answered "yes" right away.

Lady Diana is an athlete, a bicyclist, a swimmer, and a skier. She used to teach kindergarten, and her father described her as "a giver, not a taker, and that is very rare these days. I think Charles is very lucky to have her."

We think so too!

Ronald Reagan Inaugurated As 40th Pres.

Ronald Reagan was inaugurated on January 20, 1981, amid more whoop-te-do and glitter than Washington had seen in decades.

After his inauguration, he addressed more than 100,000 people gathered at the capitol. He called for an "era of national renewal." He then summoned his fellow citizens to believe in themselves and "to believe in our capacity to perform great deeds, to believe that together with God's help we can and will resolve the problems which now confront us. And, after all, why shouldn't we believe that? We are Americans."

Freshman Officers

Being President of the Freshman Class is a new experience to me. I really enjoy being part of the Student Council, helping to plan the future activities of LHS and being part of the organization of the school activities. The rest of the Student Council, especially the ones who have been on the Council for a while, really help me by their spiritual guidance and kindness. I thank God for all the wonderful people He has sent to me in my life, and all the things He has given me. Thank you, Father

Sophomore Officers

The sophomores have come a long way this year, and it's been fun. From the hassle of Spirit Week, to the success of the Christmas Dance, I've seen it all. I'll never forget the bake sales, Lancer Lines, or the fun (fun?) of organizing Homecoming. Christina and Jean have been wonderful, and I couldn't ask for better helpers. I also want to thank the class of '83 for being so great. Thanks again!

Junior Officers

This year I took on a big responsibility, that of being Junior Class President. One of my biggest headaches is Prom. There is a lot to be accomplished in such a short time, but I'm glad that I have a lot of help and support from the Junior Class and the Sophomores and Seniors. They are all helping raise all the money it takes to have a Prom. I've had a very good time working with the Junior class on Prom and other activities.

FRANK McFARLAND: Well, this is it, my senior will. By the time you read this I should comforably be living somewhere along Malibu; that or in a cave somewhere in the San Berdino Mountains. Either way, I won't forget my friends. I especially want to thank Jim K. and Dale for inviting for a fun filled three day in the desert. Sorry about the early present Jim, but I've never actually roled anybody's car before. It was the drivers fault anyways. I'd also like to thank Alan for making Arond possible and for getting the Mony Python tickets ($1 for a lost button isn't too bad), Scott A. for all those lovely pig impressions, and Sean D. For all those perverted song and killer dungions. Most of all, I'd like to thank Hans for all those enlightening after school discussions during our junior year. Something that I definitely won't forget. Also thanks to whoever left the bag of weed in the middle stall of the boys bathroom. In all, it's been a good year so far. Broken arms can be fun. I'd just like to end by mading on thing totally clear. No Roger Frick, I am not, but I do have a brother who lives in Berkely. Frank.

SEAN DEMING: The yellow goat upon the hill looked down upon the grass. He saw down there upon a fence a purple spotted bass. The bass looked up and asked the goat "Where's a signpost near?" The goat replied, "The earth is flat, and cows are drinking beer." What's so important about a goat, when I should by saying good-bye?" Doesn't mean a thing but what it says, because it came to mind. So, good-bye LHS, good-bye to its rooms, its windows, doors, and walls. But most of all good-bye to the people that fill the crowded halls. In seventy-seven I first entered in upon the halls so young. By the end of the year my heart became trapped by the songs the Beatles sung. By seventy-eight, my sophomore year, They filled me even more, And people would say a haircut they had for me instore, Dungeons and Dragons entered in, in early ninteen-eighty. A fantasy game with magic and mosters, is the game I'm playing. Tolkien's books enthralled me, toward the end of the year. "The Simarillion," "The Hobbit," "The Lord of the Rings" are stores all should hear. I graduate this year '80-'81, so far there's nothing new. Maybe, many new things will occure, maybe only a few. So, good-bye again to LHS, the people and the place. The people I know, the laughs I hear, the smile on their face. The bass left his fence, the goat left his hill, and both took different roads, But every now and then, the roads did cross, so the two could say hello. The bass would ask where the signpost was, the goat did never know. But they stayed in touch when the roads crossed, and friends they'll always be. I hope it will be the same with the people from LHSOC.

Being Class President my Senior Year, really meant alot to me. This past year the seniors tried alot of new and exciting things. We marched the halls in army clothes on M*A*S*H day during Spirit Week. We sponsored a Car Rally and the Valentine Dance to raise money for our class gift. But our biggest accomplishment was the Senior Retreat. On January 23, 1981, most of the Senior Class piled into a bus and headed for Green Valley. We spent 3 days and 2 nights there,-playing volleyball and football, sharing in devotions and cooking our own meals. The highlights of the trip were a water-balloon fight in which the guys held the girls hostage in their own cabins, (and tried to smoke some of them out), a fashion show at dinner by some of the girls, modeling the latest styles in guys boxers, and a radical bus ride down the mountain. Although there was no snow, everyone had a good time, and felt this retreat brought the Seniors alot closer together. This has been an excellent Senior Year, and no one, no one, will forget it!!

Hi!

M: Well, here it is, the beginning of a new school year, and the beginning of this year's yearbook. We don't **EVEN** know how it's going to get finished! We have to teach 5 new people how a yearbook works before we can even **START!** Oh help! Since Cath, Steph, and I are the only ones who know what to do, it's gonna be tough. But we'll make it! (hopefully)
C: But we're really looking forward to see how it turns out. Mandy went to a yearbook class at USC this summer, so she's really the only one that knows what's going on!
M: (Gee, thanks, Cath. Now if the book flops, it's my fault) Anyway, we hope you enjoy it.
C: We both are really excited about the whole thing! This summer we were running around trying to get everything organized, and we **think** we did. That class Mandy took really helped us out a **lot!**
M: All we want you to do now is sit back, relax, and enjoy it. Okay? Okay!
M&C: We hope you enjoy your walk through "The Long and Winding Road."

There is a right time for everything:
A time to be born, a time to die;
A time to plant, a time to harvest;
A time to kill, a time to heal;
A time to build, a time to destroy;
A time to cry, a time to laugh;
A time to grieve, a time to dance;
A time for scattering stones,
A time for gathering stones;
A time to hug, a time not to hug;
A time to find, a time to lose;
A time for keeping, a time for throwing away;
A time to tear, a time to repair;
A time to be quiet, a time to speak up;
A time for loving, a time for hating;
A time for war, a time for peace.
—Ecclesiastes 3:1-8
